East Hartford, CT 06108

Date: January 6, 2023

Supplier: Electro-Discharge
Address: Sovereign House, 109 Powke Lane,
City: Cradley Heath, West Midlands
State/Country: UK
Zip Code: B64 5PX
Attention: Mr. Chris Edwards - Quality Manager

Subject: Pratt & Whitney Source Qualification List (SQL)- Limited Approval. Amended to reflect new address and addition of a suffix.

Dear Mr. Edwards,

Pratt & Whitney (P&W) is pleased to inform you that your company is qualified, in limited scope, as a source to perform work in accordance with the following specification(s):

- **PWA 97, "Finishing by Electrochemical or Electrodischarge Metal Removal"**
 - ✓ **Suffix 2; EDMR permitted, no subsequent treatment required (See note1).**
 - ✓ **Suffix 7; Wire EDMR permitted, no subsequent treatment required.**
- **Limitation on both suffix:**
 - ✓ **On Ni & Co Alloys only**

This authorization now forms a part of our Source Qualification List (SQL) of approved suppliers.

Please be aware that P&W Materials Control Laboratory (MCL) Manual "F" Sections establish the controls for chemical and metallurgical processing performed by P&W qualified sources. Compliance with these controls and other applicable specifications is necessary for continued qualification. Maintaining facilities, procedures, equipment, personnel and controls to P&W standards, as determined by our periodic surveys and our routine testing of your product, is critical to your approved status, as well.

Process approval does not relieve qualified source of responsibility for conformance to all applicable drawing and purchase order requirements.

Should you have any questions or concerns, please don't hesitate to contact your local P&W Q&PE Supplier Metallurgical Control (SMC) Specialist.

Congratulations and our expectations are for your continued success.

Sincerely,

Peter E. Simos
